

[illegible]

The figure displays a large number of small plots arranged in a grid, organized into several main sections. The top section is titled "A. 1000000" and contains a grid of small plots. The middle section is titled "B. 1000000" and contains a grid of small plots. The bottom section is titled "C. 1000000" and contains a grid of small plots. The plots show various data distributions and trends, with some plots having axes labeled "X" and "Y". The overall figure is a detailed visualization of a large dataset, likely related to the "1000000" mentioned in the titles.
